Coffee Fundraiser

Laughing Whale is Canada's first Eco-Roaster, using low-emission, heat-recycling roasting technology. All coffee $15 per bag and proceeds go to the Shambhala School! Consider buying all your coffee through the school this year.
We will repeat this event monthly.

Morning Mantra (medium roast)
Full flavoured with low acidity and smooth finish. Coffees from the southern highland of Mexico. Tuned to start your morning off on the right note.

Dolce Vita (medium roast)
A lighter espresso with surprising sweetness reminiscent of toasted almonds- a third wave take on "the good life" combining Central American and Asian coffees.

Rock Your Boat (dark & medium roast)
Lives up to its name. A bold coffee, rich in taste and aroma. A blend of dark, mi-noir, and medium roasted Mexican beans, bolstered by full bodied Sumatra.

Ooh La La! (very dark roast)
Very darkly roasted, high altitude Andean coffee, smoky and sweet- but with an attitude.

Mardi Gras (very dark DECAF)
Decaf with oomph! Roasted dark for a lively taste. CO2 or water processed.

(New) Be the Buzz (medium roast)
"Honey" processed coffee from Nicaragua, shows a natural sweetness with medium body and bright, citrusy acidity.

100% Fair Trade and Organic Certified Coffees!
