Before and After School Programs 2021/2022
Pre-Primary to Grade 5

The Shambhala School offers a Before and After School Program. Students have an opportunity to enjoy snacks (from home), outdoor play, creative play, stories and crafts. Children in After School care are able to participate in extra-curricular sports activities and clubs offered at the school, and return to After School care before pick-up time.

Our program is available to students in Pre-Primary through to Grade 5.
